## **Acknowledgement**

First of all, I would like to express my gratitude to Allah for giving me the strength in terms of physical and mental to complete this study. I would like to express my special thanks of gratitude to my supervisor, En. Adam Masumi who gave me the golden opportunity to do this wonderful project on the topic An Analysis of Leitmotifs in Batman Vs Superman which also helped me in doing a lot of Research and I came to know about so many new things I am really thankful to him.

Next, I would like to express my very great appreciation to my parents, which has given me a full support in doing this study. Generally, this study would not have been completed without supports I received from friends and colleagues. I would like to thank each and every one of them for helping me in completing this study, directly or indirectly. Last but not least, thanks to University Technology Mara (UiTM) for giving me a platform to learn and share my knowledge in this music field.
